2007 PRESIDENT'S REPORT

It is with mixed feelings that I present my report to members for the 2007 season. While the club experienced its successes there were disappointments as well. Perhaps the word that best describes our football season is "inconsistent".

After a slow start to the season there was significant improvement in all three grades. A lack of experienced tall players was certainly evident in a number of games. When we had several of our AFL players available we were very competitive but when we didn't we struggled against stronger sides. It is no coincidence that our best performances occurred during the five games when Jeff Farmer was available. What a great contribution he made during this short time.

A number of positives could be taken from the season. We saw the emergence of a number of young players who showed they were capable of playing at league level. Kris Miller and Tim Malseed proved to be very valuable recruits and the promotion of colts players to reserves and league will add depth to our player list next year.

The coaches and support staff are to be congratulated for turning around some disappointing early season performances which enabled all three sides to play finals football.

One of the highlights of the year was undoubtedly the combined function we held with East Fremantle to announce the Fremantle Team of the Century. The manner in which both clubs were able to work so effectively together was very heartening. Hopefully we can do so again in the future for our mutual benefit and for the good of football in Fremantle.

While in Victoria for the interstate game the South Fremantle representatives visited

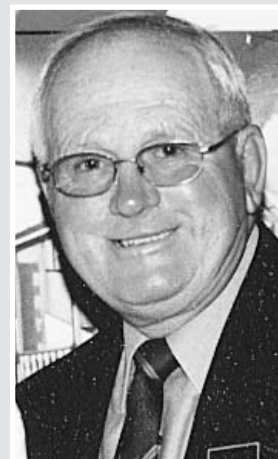

Len Crabbe to present him with his Team of the Century jumper. Len was too ill to come to West Australia for the function so we had arranged for the presentation to be videoed. This was a very emotional moment as Len spoke very fondly of his time at South Fremantle and of the many lifelong friendships he had forged there. Len and his family were delightful hosts and obviously very touched by the occasion. Sadly Len passed away a few weeks later.

After a distinguished 211 league games career David Gault announced his retirement. David is one of the few players to achieve the two hundred game milestone with the one WAFL club. A premiership player in 1997 David also had the distinction of captaining the side in 2005. David's success is a tribute to his courage, perseverance and loyalty.

Once again it is pleasing to report that the club will post a healthy profit, details of which are included elsewhere. The Board has decided that the next area for refurbishment should be the players changerooms. As a centre of excellence it is important that we provide our players with the best possible environment in which to play and train.

The District Development Committee continues to work effectively to promote football and the South Fremantle Club within the zone. Introducing football for girls was this year's priority. For the first time we were able to field a ladies' team playing under the Bulldogs banner. The ladies finished a very creditable runners up in the reserves competition.

To adequately acknowledge everyone who made a contribution this year would not be possible in a report such as this. However, I would like to express the appreciation of the Board of Management to our managerial and office staff, to our bar staff, our coaching staff

and the very many volunteers who work so tirelessly and selflessly to ensure WAFL football remains a vital and vibrant part of the football system. To our many sponsors, members and supporters who continue to contribute so generously to ensure our club maintains its sound financial status a sincere thank you.

In conclusion may I wish all of the Bulldogs family best wishes for the coming festive season and may 2008 bring us all good health and good fortune.

TERRY DEAN
President

2007

CHIEF EXECUTIVE OFFICER'S REPORT

Members of the South Fremantle Football Club, on behalf of the Board of Directors, I have much pleasure in presenting for your adoption the club's 108th Annual Report.

Congratulations to the coaches, players and officials of all three grades for making the final four this year which is a clear indication that our development programmes are now starting to bear fruit at senior level.

Our football department headed by Marty Atkins has been very busy this year talking to several key position players and midfielders to bolster our playing stocks and to give our emerging talent the support needed to be more successful at league level in 2008.

It was most pleasing once again to have above average crowds attend our home games, with the first semi final and first Friday night derby being our biggest games.

Next season should be a bumper year for crowds at Fremantle Oval with the return of the Foundation Day Derby.

We will endeavour to avoid clashing with AFL games held at Subiaco in 2008 and due to many requests we will commence any Friday night games during the winter, at 6.40pm.

Two major highlights of the year were the Fremantle Team of Legends function held at the Esplanade Hotel, Fremantle in conjunction with the East Fremantle Football Club and the Tribute Dinner to the WA representatives selected in the AFL Indigenous Team of the Century which was held in the Griff John Function Centre in conjunction with the Claremont Football Club.

Both dinners drew a very appreciative crowd of over 400 people to pay tribute to some of Western Australia's greatest players.

The Fremantle Legends team was selected by a panel of experts headed by chairman, John O'Connell and including historian Brian Atkinson and former players Tony Parentich, George Grljusich, Laurie Nugent and Trevor Sprigg.

The Tribute Night to the AFL Indigenous Champions was held during NAIDOC Week and was made possible by the efforts of Brad Collard, Richard Walley, Todd Shimmon, Jim Maher, Trevor Walley, Gail Beck, Dave Chesson, Terry Dean and Fred Penny.

Many organisations gave their financial support to enable the event entitled "Adwert Djuripin Jinna Ball at the Port" to be held. We thank the following sponsors most sincerely - City of Fremantle, City of Melville, Healthway, Department of Indigenous Affairs, Merenda Group, Thunderlarra, Indigenous Enterprises, Department of Sport and Recreation, Gnulla Maaman Moort Boodja Inc. Fremantle Dockers, West Coast Eagles, West Australian Football Commission, Burley Sekem and Colleen Hayward.

"Adwert Djuripin Jinna Ball at the Port" is Noongar for "Dogs showing flair, being happy playing football at the port". Next season the Noongar word "Jim buck" meaning tiger will be included in the title of the celebration as the annual game will be played each year between the Bulldogs and Tigers.

First Year Players

Fourteen players made their league debut for South Fremantle in 2007, nine of which graduated from our colts. Our colts contingent was made up of Jarrad Winter, Lukas Teague, Leigh Kelly, Daniel Michael, Scott Delmenico, Brent Hall, Morgan Cooper, Jason Matthews and Jeff Farmer.

Best Player Awards

Congratulations to Kris Miller, Morgan Cooper and Joel Palumbo for winning the best and fairest medals for the league, reserves and colts respectively.

Special Awards

The Clive Lewington Medal for our best player in the Foundation Day Derby was won by Kyle Hams. Josh Head won the Neil Lewington Medal for best player in the first semi final and Ryan Murphy put in an impressive performance of goal kicking on preliminary final day to win the Stan Poole Medal.

Ruckman Adam Hay won the Simpson Medal for best afield in the state game against Victoria held at TEAC Oval in Melbourne.

Morgan Cooper capped off an outstanding year by winning the Prendergast Medal for best and fairest in the Reserves competition.

State Representatives

Adam Hay and Andrew Siegert represented WA against Victoria in Melbourne.

Life Membership

At the 2006 Annual General Meeting, Life Membership was bestowed upon former player and coach Tony Ryan and long serving official Andrew Stone.

The Board has much pleasure in recommending in 2007 that Merv Lockhart, Gerry Bahen and George Grljusich be awarded Life Membership. All three individuals have given meritorious service to the club over many years.

Volunteers

To all the volunteers, both official and unofficial, I offer my sincerest thanks. We would be lost without you.

Sponsors

Our many faithful sponsors are the lifeblood of our club, thank you for your support in 2007.

Special Acknowledgments

I would like to extend my personal thanks to the members of the various sub committees which helped make our club a successful and enjoyable place to be associated with in 2007.

To Terry Dean and members of the Board, all of whom did their share to help retain our status as the best managed club in the WAFL, a special thank you.

During the year I had the pleasure of working with an enthusiastic and loyal band of staff members

who each made a significant contribution to the running of a very efficient administration.

Amelia put in another great year with the support from Natalie, Brittany, Jennifer and accountant Ken Gray.

Football Manager, Marty Atkins continued to give his heart and soul to the club with some of his contributions well beyond the call of duty.

Bradd Gardiner, Jason Burton, Luke Silich and Scott Pontague held various roles in our junior and youth development programmes. So effective was their work that the club attained an astonishing 30% growth in participation across the board in 2007. This is nearly three times the WAFL club average.

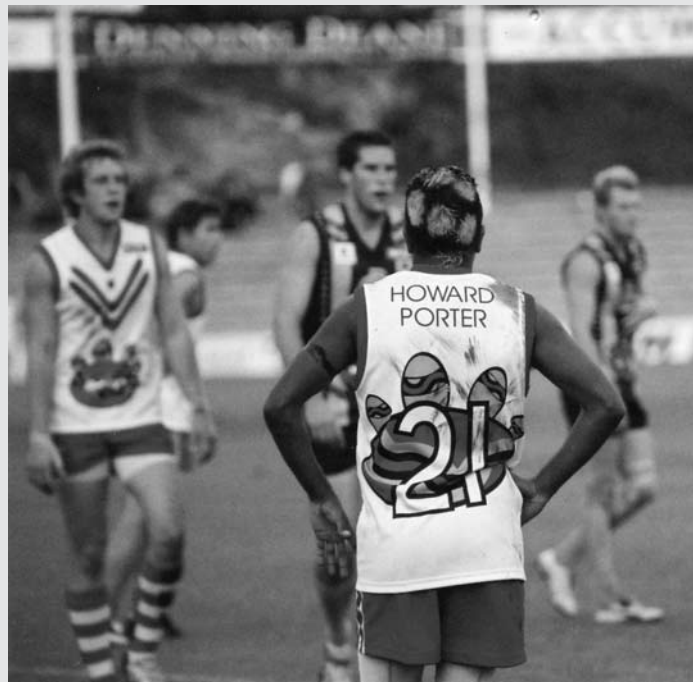

Gary Manolas relinquished his position as bar/functions manager during the year and was ably replaced by the popular and highly efficient Tracey Baker. Tracey quickly warmed to the task with Vic Iwanow, John Bateman and hard working ground manager and poker shark Stephen McCarthy continuing to give valuable support.

Retaining regular bar staff is a real juggling act but Tracey was well supported once again by Sue, Linda, Brooke, Jessica, Kay, Angela and Bill.

One of the real finds this year was the clubs new catering firm, "Numero Uno". Guido and Linda Micalizzi are to be congratulated for lifting the standard of food served at out various functions. Many accolades were forthcoming by the many organisations which utilised their services during the year.

Next year we must continue to grow and I look forward to entering my twentieth year as CEO of Australia's greatest community based football club.

Miller's medal double

by LES EVERETT

2007 Hughes Medal winner Kris Miller.

KRIS MILLER admits his first day as a South Fremantle player was strange. "I never thought I'd see the day when I'd roll up to Fremantle Oval for training as a player so that first training night did feel funny."

Originally from Kalgoorlie-Boulder, Miller made his league debut for East Fremantle in 1999 and played 153 games with the Sharks before moving to the Bulldogs.

"It didn't take long to settle in," Miller said, "and it was interesting to see a different club from the inside."

He and fellow former Shark Tim Malseed made their first appearances for South Fremantle in the round one derby and according to Miller it was just like any other derby – in more ways than one.

"East Fremantle had a lot of players I hadn't played with and didn't even know," he said, "and I didn't leave on a bad note with any of the playing group so I wasn't looking over my shoulder."

"And the derby was normal – I was on the losing side."

Miller believes he was recruited to help cover for the retired Matthew Clucas in the midfield and also to go forward as a goal kicking option. The absence for long periods of Andrew Siegert, Toby McGrath and Hayden North meant he was needed on the ball and he also proved valuable in attack with 26 goals from 22 games. He kicked three goals in a best-on-ground performance in the first semi final win over East Perth.

One bonus for South Fremantle in 2007 was the appearance of former colts player

Kris Miller (9) moves in to support Jeff Farmer in the Foundation Day Derby. Photos by Les Everett.

and Dockers star Jeff Farmer for four games mid-season. "I didn't know Jeff but had my pre-conceived ideas about him like any AFL fan," Miller said. "His whole attitude was great, he played WAFL games just like he does in the AFL and it was great to see what he does first hand."

"He got excited, he didn't isolate himself and he's incredibly team-orientated. Jeff would have had more goal-assists in those four games than anyone else had for the year."

Playing under John Dimmer was another 2007 highlight for Miller. "John has got the concept of coaching in the WAFL perfectly," Miller said. "He knows we're fair dinkum but he also realises we're only semi-professional so there are times we just can't be there because of work commitments."

"There has to be a good trust element and you don't abuse that – you don't want to let John down because you know he's looking after your best interests."

In winning this year's Hughes Medal Miller established a new record, he's the first player to win South Fremantle's fairest and best award and East Fremantle's Lynn Medal. He won the top award at the Sharks in 2005 and being runner-up in the previous four seasons.

Miller's grandfather Riley was a member of Perth's grand final team in 1950 and his father Craig also made it to league level at the Demons.

The 2007 Hughes Medal winner sees himself continuing on at his new club for the few more seasons. "I'm 27 and I don't have to worry about getting slower because I've never had to rely on my pace."

2007 MARKETING REPORT

Corporate Classic

Tom Dore of Shepherd's Newsagency was the winner of this year's Corporate Classic Draw. The sign on the front of the league and reserves playing jumpers received nationwide exposure on Foxtel and ABC Television as well appearing in the West Australian, Sunday Times and Football Budget.

Congratulations Tom, as well as consolation winners Anthony Van Der Wielen from Empire Fremantle and Jim Christie who transferred his advertising prize to Christie Whyte Moore.

FAJ IT Services won the western derby package of an 8 seater VIP box with \$500 worth of catering.

Sponsorship

The club continues to be well served by a loyal band of sponsors who have shown a great interest in supporting the club's aim to further grow the game in the Bulldogs District.

The President's home game functions are great opportunities for sponsors to network in a most convivial atmosphere with "Numero Uno" providing gourmet Italian dishes, Fosters the icy cold lagers and Driftwood and Tyrrell's fine premium wines.

Television exposure for all our advertisers is second to none in the WAFL and provides exposure at both state and national level at bargain prices.

Raffles

The WAFL major raffle netted the club over \$20,000. The popular Lucky Lottery was won by Life Member, Anna Riddell.

Bar and Social

Friday member's nights still draws a weekly crowd of between 60 to 80 people which creates an excellent atmosphere in the WJ (Dooza) Hughes Members Bar.

Once you enter through "Greens' Gate" you are usually welcomed by Ron and Sheila with Ruby Wilson keeping an eagle eye on proceedings.

Directors John Rigby and Haydn Raitt coordinate the nights activities which includes many raffles, wheel spins and jackpots to be won.

Our new Functions and Beverage Manager Tracey Baker has been instrumental in maintaining a high standard of cheerful service and promoting the club to various outside groups.

Former Bar Manager, Peter Williams has often been seen at the club assisting Tracey when required.

Special Projects

The Fremantle Legends Team function held at the four star Esplanade Hotel Fremantle and tribute dinner to the states representatives in the AFL Indigenous Team of the Century were resounding successes.

Cicco and George Grljusich once again were able to sell out both events which received the accolades of all those that attended.

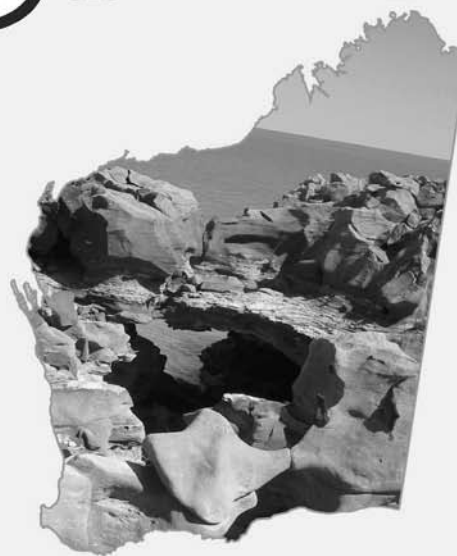

Acknowledgments

A special thank you to my fellow Marketing Director Santo Merenda and CEO Brian Ciccotosto for their wise counsel and support in all areas of marketing.

GEORGE GRLJUSICH TESTIMONIAL DINNER

by LES EVERETT

Veteran sports broadcaster, George Grljusich was post humously inducted into the West Australian Football Hall of Fame on Wednesday 14 November at a testimonial dinner organised after he was diagnosed with terminal cancer in late September.

A 700 plus crowd gathered under a red and white marquee on Fremantle Oval to witness his pre-recorded acceptance speech taken at Murdoch Hospice, four days prior to his death.

George's long time colleagues, friends and admirers paid tribute to his outstanding contribution in the sporting and media professions.

In his extraordinary career, he had broadcast six Olympic and ten Commonwealth Games as well as a total of 39 different sports.

Former ABC Radio workmate, Glenn Mitchell described George as the best multi sports broadcaster in the world.

George became the fourth media person inducted into the Hall of Fame, following on from Dick Buchanan, Geoff Christian and Ross Elliott.

FOOTBALL MANAGER'S REPORT

Season 2007 again presented us all with some fantastic highlights, great football and finals action, but we again were unable to taste premiership success.

I know they are hard to win and I know you can't win it every year, but the South Fremantle Football Club is of the belief, that we are in a position, where we should add at least one more premiership to the one won in 2005.

We have a stable coaching structure and a very youthful and exciting playing squad, which will see us play in finals for the next few years. The problem is we don't want to be there to make up numbers and looking back on this year, we seemed to be the third best side, but there was a small gap to second & top spot.

On our day, with our AFL players running around, we were a force. The win against Subiaco mid-season is proof of that. With this being the indicator, we now have to go out and find our own Jeff Farmer, Ashley Sampi etc so that we are not reliant on these players, so come finals we have a realistic shot of matching it with the better sides.

I am not saying that we do not want our AFL players because they were fantastic for us this year, but when we do get them back it should be a bonus, not a relief.

SENIOR SQUAD

Some wonderful efforts during the year, I suppose were tarnished by some that didn't quite go to plan for whatever reason, it certainly wasn't through lack of trying, especially after the start we had.

Looking forward I suppose it might be a case of everybody having a look at themselves, before returning for pre-season and raising the bar, to challenge the rest of the squad. The success I talk about will ultimately come back to the players, with the right recruits, along with a stronger and more positive approach we again can look forward to the challenges ahead.

Reflecting on 2007 I would like to congratulate all the award winners, especially Kris Miller on winning the WJ Hughes Medal. A change of club, an ordinary start and a challenge from myself is a difficult way to start a season, but true to his word he delivered and respect, as well as the medal is what he has earned after his first year at the club.

Josh Head's efforts were also well rewarded, but I think that it was Josh's way of saying thanks to the club for their support of him and it certainly was appreciated.

Congratulations also need to go out to all of our League debutants, 9 of which came through our colts system. A very big positive from this season is their exposure to league football, with their performances showing they can play at that level, with their desire and consistency now to be tested to see if they want more.

COLTS SQUAD

There was to be no roller coaster ride like last year, although early on it did look that way. The double bye came and from then on it was up, up, up.

Everybody involved in the colts this year should be proud of their efforts and what we were able to achieve in the end. The wins on field was out there for all to see, but the positive change in mentality and the commitment to the team and our physical approach was what brought about that success.

In what was a very enjoyable year, we hope that you remember what took place to turn the year around. Those going on to train with the senior squad should take this knowledge with them in their endeavours to play senior football. Those remaining have to understand they have to maintain and improve their efforts, whilst also assisting the new players trying to get to the level that is expected.

COACHES

Finals in all three grades indicates your efforts this year, add to this players being elevated from Colts to Reserves, Reserves to League, League to AFL then I think you have a gauge on how successful you were.

On behalf of the South Fremantle Football Club and myself I would like to thank all of our coaches for their commitment this year. Your professionalism and dedication not only gives the players the best platform to notch up a win on game day, but also individually

gives them the best chance of playing at the next level.

SUPPORT STAFF

Year to year I say it, year to year you never let me down, you are the best. I don't know what the club or I would do without you and I look forward to many more good stories, good laughs in the future.

I could not go without saying a massive thank-you to two of our longest serving support staff, Keith Ferguson & Doug Weston. 51 years between the two of them, they will certainly be missed, basically because you were starting to become part of the furniture.

Best wishes in the next adventures of your life, I know you will not be lost to the club, as Life Members this will always be one of your homes.

COUNTRY ZONES

Once again I congratulate Mr Barry Butterworth, Mr Graeme Taylor and everybody involved with the Upper Great Southern Football League for the very strong relationship that continues between both parties, as well as another A Grade Country Championship win.

The South Fremantle Football Club continues to have a large number of country footballers playing at the club, with players from the Upper Great Southern continually encouraged to go to Perth to have a crack at playing WAFL football.

This support, along with the open line of communication, which continues to ensure that any matters, issues or concerns are discussed quickly and dealt with promptly, is very much appreciated and is largely responsible for why the Upper Great Southern is held in such high regard.

The same can be said for the Gascoyne Football League and the strengthening relationship it is developing with the club.

The efforts of Mr Paul Dixon, Mr Neville Helm and all who assisted in this year's country game should also be praised for

what they were able to put on, which was enjoyed by not only the two WAFL clubs involved.

Unfortunately we were not able to finish off a wonderful day, when we were beaten by West Perth, but the South Fremantle Football Club could not have asked for anything more from a zone which it only has had involvement with for three years.

We will continue to strengthen our relationship and know it will not be too long before the Gascoyne has it's first player playing league football at the club, an achievement which Justin Hill nearly achieved this year.

SUMMARY

I would again like to thank Terry Dean and the Board of Directors for their continued support, as well as thanking Brian, Amelia and all those that work in and around the office for making my job as enjoyable as it is.

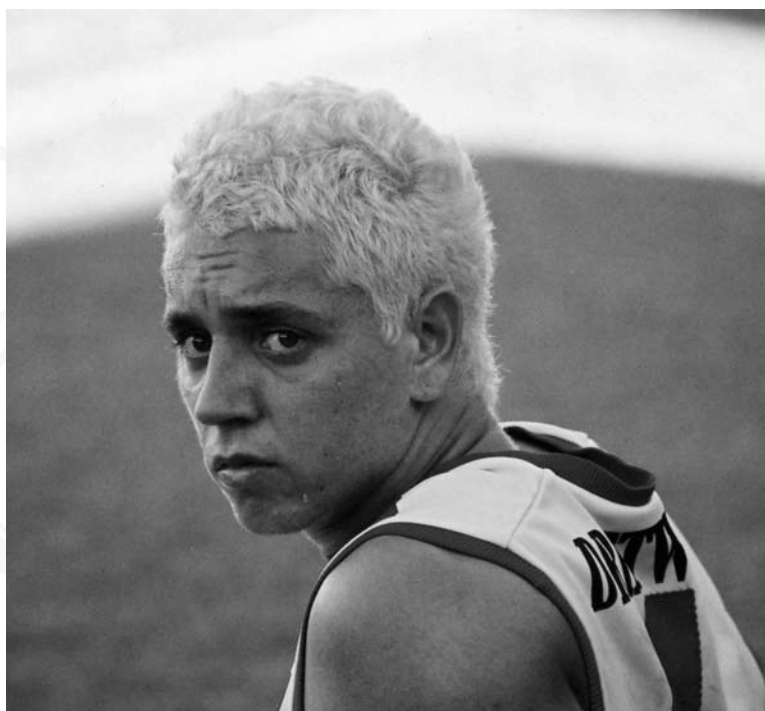

To Rob, Bradd, Jason and everybody involved in the development and participation side of the football club – keep up the good work. Your work is never ending, but your passion and commitment will ensure that the club remains strong for a very long time.

Lastly to my good friend and out going captain David Gault. 3 years as captain, 2 times premierships player, 1 great bloke. A leader in all areas of the sport, on field he gave you everything, off field he led by example, you could ask for nothing more.

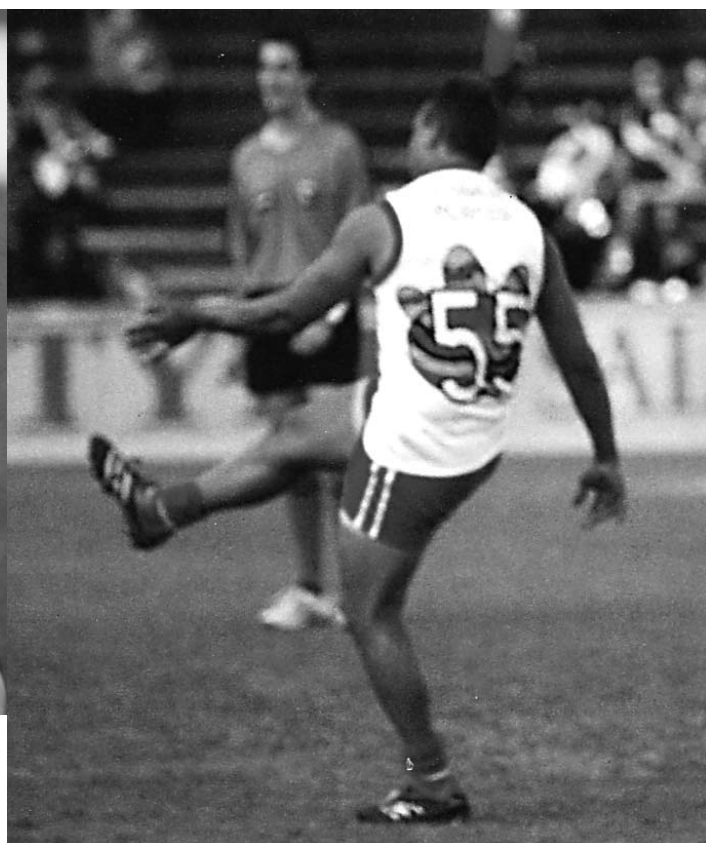

Best wishes to you and your family where ever life may take you, but as stated previously a Life Member of the WAFL, but more importantly Life Member of South Fremantle, a place where you will always be remembered.

Regards

Peter Narkle provided one of the best stories of 2007 at the Bulldogs. The 28-year-old came to the club from Sunday Football League team Armadale and made his league debut in round 15 against Claremont. Football manager Marty Atkins praised Peter's efforts prior to his debut: "Peter came to the club at the start of the year just wanting to play WAFL football. He trained really hard and lost about 10kgs. He has played consistent football in the reserves and has earned his call-up into the league side." Peter, who has sight in only one eye, played two league games and finished third in the fairest and best voting in the reserves. He is pictured kicking his first league goal. Photo by Les Everett.

PAST PLAYERS AND OFFICIALS REPORT

The 2007 season has seen the retiring of Peter Thorpe as our President. Peter has been a tireless worker over many years for the club. The golf and bowls days as well as the banter with East Fremantle at half-time on Derby day will not be the same without Peter's input. This year, Peter was recognised as a Life Member for his continued work by the WAFL Combined Past Players and Officials. Good luck on your trip next year.

Reflecting on this season, I would like to extend my congratulations to the League, Reserves and Colts teams on achieving finals status. Continue to work on your weaknesses during the off season so you can then take the next step in 2008.

I would like to thank our committee, comprising of Kevin Saint, Ray Richards, Ron Johnston, Ron Greer, Peter Thorpe and Peter Dougan for your continued support and hard work. Thank you to Colin Beard who has provided us with his interesting articles on past players.

Thank you to our hard working ladies, Sheila Greer and Vida Dunstan on providing us with half time sandwiches, which are greatly appreciated.

Finally, to all past players and officials out there, we now have the privilege of using the Stephen Michael Room on match days to watch the game, so for an additional \$20 you can become a member and join us for some refreshments and catch up with opposing past players. Keep your eye out for some of the events we have planned for 2008.

All the best for the 2008 season.

COLT'S REPORT

Firstly, my sincere thanks and admiration go to all the volunteer staff here at South Fremantle Football Club. The club requires many volunteers to fill roles on and off the field and I have the greatest respect for all those who fill these roles. The entire group involved with the colts was exceptional, fantastic to work with and made my first year at the club a thoroughly enjoyable one.

2007 started with a solid pre season with a great group of enthusiastic young men. The group was strengthened just before the home and away games with the addition of 9 players back from league pre-season. By round 8 we had lead in every game but the results were 3-5. The team had played some terrific football but we had not yet gained natural team work, football smarts and still had to come to the understanding that we could, and should beat all other sides.

During the double bye we addressed these issues and the results were immediate. The next seven games included beating all the top sides with no losses. We established a reputation as a strong physical group that performed well in big games. Over the last part of the season we cemented a spot in the finals and twice played for top spot on the ladder. We met Subiaco in the first semi final and had a terrific result however Claremont ended our run with some great football played by both sides.

Having been involved with this age group for seven years the physical pressure and negating football played by this group was some of the best I have ever seen. We had many highlights during the year and I was very proud of the way the players accepted responsibility, then backed themselves to show off their skill, with their performances a result of that positive attitude.

The colts group had some great individual results,

DAVE INGRAHAM MEMORIAL MEDAL(Fairest & Best):

Congratulations go out to all our award winners from this night, but to Joel Palumbo who narrowly beat Luke Bairstow to win the medal, a fantastic effort from a first year player, one who has a very bright future in front of him.

In summary and looking back on our many highlights, the ones that stand out are the positive change in the players mentality from a losing one, to one where they believed they were good enough to win against all opposition. The level of physical pressure they were able to apply and sustain on the opposition, which held strong in big games and most probably the most rewarding is that they enjoyed their football and would do things which were a benefit to the team.

To all the players moving on from colts please take what you have learned from the coaching staff in football and life and continue to learn. I hope you all remain in the sport and strive to play at the highest level you can. My aim was to teach you the basics of football in an enjoyable environment which I believe we achieved.

Finally I would like to pay tribute to my direct coaching staff who help me with their time, enthusiasm and knowledge to make the year a successful and enjoyable one.

I look forward to Season 2008. Stay safe.

2007 RESERVES REPORT

The 2007 season proved to be one of consolidation for many of the players who represented the club at Reserves level. After a solid pre-season, during which many players pressed for selection in the League side, we were highly competitive but lacked consistency during the opening rounds. Consequently, we found ourselves outside the top four and struggling to stay in touch. The players showed great maturity and continued to work hard at training to improve their performance, with several being rewarded as opportunities presented themselves in the League team.

After our worst loss in two seasons – a thrashing at the hands of Subiaco in Round 11 – the group reviewed many aspects of personal and team performance, and a more determined outfit, with a greater sense of team spirit, took to the field in the second half of the season. Within the established game plan, the players improved in all of the sacrificial acts needed to be successful as a team, and we stormed into the finals, losing only one game, by four points, from that point on. We approached the challenge of playing finals full of confidence and in good form. Unfortunately we lacked composure in the First Semi final against Claremont, losing by eight points in a disappointing effort. However, for many of the players in the Reserves group, the realisation that consistency is a key to improvement has meant that they are now capable and ready to take the next step into League football.

54 players represented our club at Reserves level in 2007 and, of the 20 who did so for the first time, 13 were products of our Colts teams of the past two seasons. Once again we had a high turnover of players from week to week but the players are to be congratulated on the way in which they adapted to playing a variety of roles when called upon to do so. Special mention must be made of the Colts players, who enthusiastically took up the challenge to represent the Reserves side

when we needed them. Our resurgence in the second half of the year was due, in part, to their passion and willingness to work hard for the team. Coach Neil Mildenhall has established in his group a vital link between the Colts and Senior squads, and he is to be congratulated on the way in which he has managed the interchange of several players between the squads throughout the season.

The guidance and support that John Dimmer has again given me this season has been invaluable. The professionalism he shows, in all aspects of his role, sets a standard that we must all strive to attain if we want continued improvement and success. Thanks also to my assistant coach, Greg Townsend, for his ongoing support and advice throughout the year. I also enjoyed great assistance from Brad Collard, Glen Jakovich and Andy Stone, who always made themselves available to discuss issues and give advice. Marty Atkins maintained his positive involvement with the Reserves team. At training sessions and on match days, and his knowledge and enthusiasm is again greatly appreciated. He successfully combines his many roles and his love of the club is unwavering.

Peter Matier continued in his role as Reserves team manager, and again displayed an incredible standard of efficiency and patience, with coaches and players alike! Peter's organisational skills and attention to detail continue to make him an asset to the club. Les Olivieri and Daniel Vidovich proved to be a highly effective combination in the Runner's shirts. Both men are to be congratulated for carrying out the duties under pressure to reinforce the game plan and coaches' instructions. Carl Micale once again provided tireless assistance at training and on match days, fulfilling his dual roles as coach's assistant and boardman for both Reserves and League teams.

The tireless work carried out by our group of support staff – which often goes unnoticed - has made this year a pleasure to coach. They are all vital to our club's success and, while I know they ride every bump and feel every disappointment, I'm sure they also take great pride in watching the development of our younger players. I would like to acknowledge Greg Wootton, Merv Lockhart and all the trainers, Ron Porter and the property men, Alan Powell and the team of statisticians, and all those whose efforts often go unnoticed but have been very much appreciated.

Finally, I would again like to sincerely thank Terry Dean and the Board for the opportunities and ongoing encouragement they have given me this season. This group of people is highly committed and dedicated to the ongoing success of our great club. Just as importantly, they are approachable and supportive, and take a genuine interest in individuals as well as club issues.

The 2008 season will be on us soon, with new challenges to meet. The experience gained by the Reserves players this year must be converted into consistency in the League team if we are to make the improvement necessary to genuinely challenge for the ultimate success.

2007 LEAGUE REPORT

The 2007 season proved to be one of peaks and troughs, where the team played some fantastic football when we had a full squad to select from, and some not so good football when individuals and the team collectively were not on their game. Above all else it was a season that showed we have some very talented young players who will continue to develop over the next few years and become the cornerstone for success. The team also showed tremendous character in coming from behind in several games to claim notable victories, in particular, the win against West Perth in the final qualifying game that guaranteed us a finals appearance. The game against Perth in the middle of the season at Lathlain Park was also one of great team spirit when the team was missing a large number of experienced players. The twenty two who took the field that day held on to a memorable narrow victory that will always be remembered by those who took part.

There is no doubt that as a club we need to work hard at bridging the gap between the premiership team, Subiaco and ourselves. They have shown over the last two years that there is a gulf between them and the next group of teams when the important games are played. We need to have players who are prepared to work hard to improve their own performances in the big games against the likes of Subiaco, this is particularly important for the group of players who are now around the fifty games played mark. These players are now experienced at league level, understand what is required and must now take on greater leadership around the club and have a greater impact on games. A failure to do this will see us fall short again especially as our current group of leaders retire.

In this regard I would like to make special mention of David Gault who has been an outstanding servant of the club. His 200 games and dual

premiership success are just reward for a player who has got the most out of his ability and has set a great example for the younger members of the club to follow. We now need another David Gault to emerge to take over the captaincy role in 2008.

A real positive out of the season was the fact that all three teams made the finals. The improvement in the colts over the season was tremendous to see and Neil Mildenhall and his team are to be congratulated. The same applies to the reserves that had some important wins in the final month of the season that enabled them to play in the first semi-final. Some of the players from this team have the capability to become regular league players next year if they are prepared to work hard over the pre-season.

At the league level I would like to thank all of the people who have had an input into our journey throughout 2007. Without our great workers at the club we would not be able to put a competitive group of players onto the ground each week. I sincerely hope that all those who gave of their time and expertise during the season will reappear again in 2008.

I would also like to thank our full time staff that put in long hours into making South Fremantle the successful club that it is both on and off the field. In particular the endeavours of Marty Atkins should be highlighted. As the majority of those associated with the club wind down in the lead up to Christmas, Marty will be hard at work bolstering our playing strength so that there is plenty of pressure on for spots in the league team.

I would also like to thank the committee of the club, headed by president Terry Dean, for their support during the year and in particular their desire to continually have South Fremantle at the top of the tree. This is an important attribute to have if you want to be a leader in your field of endeavour. I know the playing group and the coaching staff have the same desire and are not happy with bowing out in the Preliminary Final.

In closing I would like to congratulate all of the individual trophy winners who have been rewarded for their efforts throughout the season but hedge my comments with the understanding that the best trophy to win is the premiership, a trophy that everybody at the club shares in. This must become our primary target for 2008.

2007 SOCIAL DIRECTOR'S REPORT

I would like to say hi to all our members who support our Friday Nights between 5.00 pm and 7.00 pm which is very well attended. The House Committee ensures all members and visitors are welcome with Haydn Raitt compering a very enjoyable evening.

The regular raffles, draws and jackpots are announced with the members Jackpot reaching up to \$2000.00 and the Jackpot Bonanza wheel is at \$1400.00 at the moment.

Ruby Wilson, Ron Johnston, Ron and Sheila Greer, Vida Dunstan and Joan Jones are active during the evening assisting in the sale of tickets and general house keeping.

The ladies that assist in providing tea and coffee and sweets at half time, ably led by Marion Reid and Bertha Scobie are heaven sent.

I would like to thank Peter and Sharon Goddard for their voluntary assistance they have provided to me. This enables members of the team to take a holiday during the year.

I would offer my sincere thanks to Tracey Baker and her hard working team.

I would like to thank the House Committee in Vida Dunstan, Joan Jones, Haydn Raitt and President Terry Dean for their support and hard work in 2007 and finally I would like to thank CEO Brian Ciccotosto for his guidance during the year.

JOHN RIGBY
Director

2007 TREASURER'S REPORT

For the 18th consecutive year the club has made profits and for the year end 31st October 2007 I am pleased to announce \$115,947 has been achieved. You will recall that last year an abnormal income item of a donation of \$100,000 was disclosed in the financial reports so allowing for this the net profit from ordinary activities has increased from \$62,511 to \$115,947.

There were no major capital works projects this year however we did have some unexpected repair work done as a necessity and hopefully now dealt with. Bar trading although down slightly in profit from last year has performed reasonably well considering there was no foundation day derby held at Fremantle Oval.

Marketing and fundraising has once again performed well and functions such as Naidoc and the Foundation Day Ball have contributed to this. Net football income has doubled mainly as a result of transfer fees received from players drafted into the AFL.

Interest received has increased with the coupling of interest rate rises and the ability to hold our cash deposits over the 12 month period.

A facilities grant owed to the club by the WAFC was paid in this year and hence the major increase.

Those areas of the clubs affairs that are mainly cost orientated such as football development and Administration have been all maintained at satisfactorily manageable levels.

Next year brings new challenges in maintaining club profits and prospects of new capital expenditure on player's facilities. So once again I would like to thank the members and sponsors for their efforts in making 2007 financially successful.

SALVATORE CAPOLINGUA
Treasurer

OBITUARIES

It is with deep regret that we record the passing of former Life Member and champion Len Crabbe and long serving members George Grljusich, Bill Dymock, Min Migliori and Ian Simpson.

Each will be long remembered and we extend to their relatives our deepest sympathy.

Your board also wishes to express condolences to all members who were unfortunate enough to lose loved ones during the past year.

CLAUDE LAW MEMORIAL FUND

The club thanks the following donors for contributing to the above insurance fund which is used to assist in defraying the huge medical costs that players incur during the football season.

2007 DISTRICT DEVELOPMENT REPORT

South Fremantle Development in 2007 has had a record breaking year! We have lead the state in Auskick growth (5-8 years), player number growth from 5-7 years, overall participation growth, as well as producing a number of quality programs in areas of indigenous, multicultural and female participation.

Our metropolitan District which encompasses an area from Fremantle to Roleystone, down to Mundijong and across to Kwinana, produced an extra 955 new players this past season alone. An outstanding achievement considering our total playing numbers including Auskick (5-8 year olds) in 2006 was 3,326 and this year we had 4,286, a 29% increase in participation.

These results were only achieved by the exceptional work of the South Fremantle District Development Council, the South Fremantle Football Club and the hard working Development staff in Bradd Gardiner (District Development Manager), Jason Burton (Development Officer) and Scott Pontague (Development Trainee).

We have 6 core areas which we focus on at development level which our report is broken up into. We have detailed what was achieved under these 6 headings.

1. Continuous Improvement in Environment and People in the District

- We have had a major focus this year on Coaches and coaching development. John Dimmer and Gary Fuller have run sessions here at Fremantle Oval with junior coaches attending.
- John Dimmer is also working with the District to develop a coaching DVD to hand out to all 150 coaches in our Metro and Country zones. This will be completed by December this year and handed out at the commencement of the 2008 season.
- Coaching accreditation is at 98% across the board in the metro area.
- We promoted the umpiring pathway to students at DHS and SHS in the South Fremantle District and worked with Peter Matier in continuing to recruit and entice back umpires.
- A number of resources were placed on our District website for coaches, trainers, administration personnel and Presidents to assist in the efficient running of their clubs and ensure club volunteers were well aware of best practice in the industry.

2. Promoting and Managing Growth

- Junior age players are continuing to return to footy each year, with an 18% increase in the number of players aged 9-17, adding an extra 12 teams to junior competitions.
- Auskick participation has now reached a massive 1805 participants, with a huge increase of 55% from last year.
- School based Auskick centres were delivered at Mater Christi PS, Leda PS, Beeliar PS, St Jeromes PS and Christ the King PS as a result of conducting over 220 clinics in our schools reaching over 23,000 students.
- Gerard Wilkie, James Daniels, Toby Prunty and a number of colts players conducted WAFL super clinics and also umpired lightning carnival days for the schools.
- Our School Holiday Super Clinics are still being increasingly more popular each year with a record 400 kids taking part in our July clinic at Fremantle Oval.
- In April we conducted the first ever School Holiday Clinic under lights, a huge hit with the kids as over 260 joined in the fun, despite the atrocious

weather conditions that evening.

- The Bulldogs of the Future Auskick gala night was a major event for the Auskickers from our 14 junior clubs. Over 500 kids played games under the lights on Fremantle Oval in May, with most of them no doubt hoping to one day return and play as a bulldog in the future.
- We conducted direct marketing strategies with letters going directly out to all players in the District encouraging them to play in 2007 and inform them of their closest clubs, as well as registration dates.

3. Reaching new Populations

Female Football

2007 saw South Fremantle expand development programs to attract more female participants to our game. The major female initiative was the establishment of the South Fremantle Women's Football Club, which played for the first time in the reserves competition of the WAWFL. Overall about 30 girls made up the squad who fell just 10 points short of a premiership in their first season. The club has its own committee and we wish to thank the President, Sally Allomes who put in a mountain of work to ensure the girls were given the best opportunities to play.

Another part of the female focus was to introduce younger girls to the game. The district's first All Girls Auskick centre based in Atwell attracted a state record 257 girls aged 5 to 12 for the 6 week program. The popularity of this program has allowed us to provide WA's first all female junior competition in 2008. For the first time our junior clubs will enter girls only teams to play each other each weekend in the 10's, 12's and 15's age groups.

Indigenous Football

With a strong indigenous presence in our district an Indigenous Auskick Program was run over 6 weeks based in Kelmscott. Around 50 young indigenous boys and girls took part and were given the opportunity to showcase their fine skills at half time of the Fremantle Dockers v St Kilda match at Subiaco Oval during the AFL's "Indigenous Round." Jeff Farmer also joined the kids for a session which was a huge buzz for the aspiring youngsters.

Multicultural Programs

For the first time we were able to employ a Multicultural Officer for a 13 week period to help us attract more new Australians to football. Luke Silich was instrumental in running a 10 week multicultural program in Kardinya, with around 40 kids from all types of backgrounds coming together to take part in Auskick.

An in school Auskick program was run at Beaconsfield Primary School with special Intensive English Centre students. 75 students who have only just arrived in Australia got their first taste of footy, and also received a NAB AFL Auskick pack thanks to the support of the City of Fremantle.

4. Strengthening Links with Key District Stakeholders

- Memorandums of Understanding between junior and senior clubs has increased with Kwinana Seniors and Juniors combining to become one club and maximise the volunteer and player base they both have and Kelmscott working closely to together to reach common goals.
- School Ambassador Program is going very well with the District increasing from 41 to 51 school ambassadors. The continued strengthening of our relationships with the schools is an integral part of the future growth in our area.

• Senior clubs in District are becoming more familiar with the structure and are now starting to work with the District.

5. Facilities and Grounds

- The commencement of lighting and facility strategic plans with a number of senior and junior clubs were activated which include Kwinana, Fremantle Hawks, Centrals, Kelmscott and Cockburn.
- All of these clubs are either in need of a facility or lighting upgrade and the District is working with all these important stakeholders to achieve what is best for football in the long term.

6. Player Retention

- A number of night fixtures were organised for youth games to assist teenagers with the difficulties of work commitments and study. Youth players enjoy Friday and Saturday night games, especially at Fremantle Oval.
- Focus on youth coaches in regards to quality and accreditation proved to be successful, with strong numbers seen in a majority of youth teams.

Warriors Program

16's

- The 16's squad coached by Graham Cornell did well winning 3 of their 6 games throughout the carnival. We had 4 boys successfully make the transition from 16's to the South Fremantle Colts. The Melbourne tour was a fantastic success. Took a squad of 40 players and 21 adults across and the boys played two games and won both. Attended 4 AFL games at the MCG and Telstra and also visited 2 AFL clubs in the Kangaroos and Essendon. Extremely rich experience appreciated by all.

14/15's

- The program is just coming into the WAFL carnival part as we go to print. The 14's are being coached by Arthur Maskos and Mark Pashby and the 15's by Paul McGrath and Warren Mosconi.
- The 15's had 7 sessions throughout the season and this was to help develop a special skills set as well as life skills, which included a talk from Olympian Kyle Vanderkyp.

State Representatives

- Congratulations go to Jarrod Ciesla, Brandon Matera and Rowan Pickett for their inclusion in the State School boys.
- Congratulations to Damien Haywood, Anthony Collica, Mitch Carter and Mitch Marsh for their inclusion in the State 16's.

Country Servicing

- South Fremantle hosted a School Holiday Super Clinic in Katanning in April, where South Fremantle players and development staff conducted clinics for over 50 kids.
- Provided bi-monthly football budget articles for the UGS.
- Conducted clinics at Exmouth DHS, Carnarvon DHS and St Mary's PS.
- "Gascoyne Bulldogs", the new development side from Carnarvon and Exmouth played against the Shark Pack from Geraldton in the curtain raiser to Souths game in Carnarvon.
- Upper Great Southern Rams competed in the Country carnival in the July school holidays and were all richer for the experience.

A huge thank you must go to the volunteers who sit on all our Development arm bodies. Rob Taylor, Graeme Smith, Shane Harding, Sharon Greengrass, Sheryl Ward, Charlie Ricciardello, Terry Dean and Garry Gough, Dave

Kinsman and Colleen Miller who make up our DFDC – all outstanding!

To Amelia, Cicco, Marty, Nat, Jen, Steve and Tracey, absolute pleasure working with all of you and very much looking forward to next year.

Jim Hurst, an outstanding individual, who is the heart and soul of the Warriors program; Jim's dedication and quality of work are very much appreciated.

A big thank you to all the Warriors coaches and support staff for your efforts in delivering a fantastic program for all the players.

Thank you to all Junior Clubs for all their support for the year, because if the junior clubs didn't embrace the programs and the direction we are taking with our development then we would up be against it.

And to all members of the football landscape, thank you for a most enjoyable and challenging year that has delivered so much for the South Fremantle Football District – THANK YOU.

Let's continue to lead the way again in 2008.

See you all soon.

SOUTH FREMANTLE FOOTBALL CLUB (INC) FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST OCTOBER 2007

SCOPE

We have audited the financial statements of the South Fremantle Football Club (Inc), being the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows and Notes to and Forming Part of the Accounts for the year ended 31st October 2007.

The club's management is responsible for the preparation and presentation of the financial statements and the information they contain. We have conducted an independent audit of these financial statements in order to express an opinion on them to the members of the club.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views) and statutory requirements so as to present a view of the club which is consistent with our understanding of its financial position and the results of its operations and cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion, the financial statements present fairly in accordance with applicable Accounting Standards and other mandatory professional reporting requirements the financial position of the club as at 31st October 2007 and the results of its operations and cash flows for the year then ended.

SOUTH FREMANTLE FOOTBALL CLUB (INC) FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST OCTOBER 2007 STATEMENT BY MEMBERS OF THE COMMITTEE

In the opinion of the Committee, the Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flows and Notes to the Financial Statements:

1. Presents fairly the financial position of South Fremantle Football Club (Inc.) as at 31st October 2007 and its performance for the year ended on that date in accordance with Australian Accounting Standards, mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.

2. At the date of this statement, there are reasonable grounds to believe that the Club will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President Terry Dean

Treasurer Sal Capolinga

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST OCTOBER 2007

STATEMENT OF ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views). The financial statements have also been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the significant accounting policies adopted by the company in the preparation of the financial statements.

Inventories

Inventories are measured at the lower of cost and net realisable value.

Property, Plant and Equipment

Property, plant and equipment are brought to account at cost or at independent or directors' valuation, less where applicable any accumulated depreciation or amortisation. The carrying amount of property, plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of expected net cash flows which will be received from the assets employment and subsequent disposal.

Employee Entitlements

Provision is made for the company's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

Cash

For the purposes of the statement of cash flows, cash includes cash on hand and in at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.
